Subject: KORA Wichita State University third party natural gas Agreement and supporting Transaction Confirmations

David, I am requesting a copy of Wichita State University's--

- Existing third party natural gas Agreement
- A copy of each Transaction Confirmation for fixed price natural gas executed during the course of the existing Natural Gas Agreement
- Copy of the last 12 months third party natural gas invoices

My interest in the documents is as a competitive vendor/bidder prior to any letting of an RFP for natural gas.

Please advise of any associated charge.

Regards,
MC
