Ms. Bishop,

I hope you are well. I am currently a student at Indiana University's McKinney School of Law and currently enrolled in a Sports Law course. For the course I am working on a project that includes an analysis of employment contracts regarding universities across various regions. Per the FOIA, I am requesting a copy of Gregg Marshall (Head Men's Basketball Coach), Greg Heiar, Issac Brown, & Kyle Lindsted (Assistant Men's Basketball Coaches) employment contracts.

Please provide me with any and all documents reflecting the terms and conditions of the employment of the Coach & Assistant Coaches. The documents should include, but not be limited to, the following information: (i) base salary; (ii) performance bonuses; (iii) fringe benefits such as insurance packages, annuities, vacation, automobiles, housing, travel and country club memberships (iv) termination provisions (including the terms of any buyout and rollover provisions); and (v) all other income or benefits paid by the institution to the Head Men's Basketball Coach & Assistant Coaches.

I am also requesting any information or documents in effect regarding any supplemental income or benefits received by the Coach from third-party sources which are received as a direct result of his coaching position with the university (whether or not considered as part of the total compensation package) including, but not limited to, shoe, apparel and equipment contracts, endorsements, radio and/or television contracts, summer camps, and instructional media. If such information is not available, please provide a good faith estimate of such information.

This request includes, but is not limited to, employment agreements, contracts, letters, memorandums, payroll records and any and all other documents which are in effect.

For time and expense purposes, these forms may be emailed to me at the email address provided above. If required, please send an invoice along with the copies I have requested for payment.

I look forward to receiving your response as early as possible.

Warmly,

Justin A. Byers
