Hi Steven,

Pursuant to the **Kansas Open Records Act § 45-215 et seq** I hereby request the following records: When available in electronic format, can you please send a file with all software purchases over the last 12 months. The fields we're requesting are: company, product, PO date, PO Number, QTY, Price, description. We are a commercial company and will pay a fee of up to 300 dollars, please notify us if it's over.

We are a Boston startup comprised of old software sales executive and an amazing engineering team. We got sick of private institutions charging different branches in the gov, universities and hospitals different prices for the same software.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days, as the statute requires.  
Thanks,
