Dear Records Custodian,

Pursuant to the state open records law, Kan. Stat. Ann. Secs. 45~~2~~15 to 45~~2~~30, I write to request the public advertisement, requests for qualifications, requests for proposals, and any records kept of the on-site interviews with the four development teams that were considered for the private housing contract ultimately awarded to MWCB LLC on June 15, 2015.

Please provide the documents electronically to expedite the process and reduce cost.

If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and contact information.

Please waive fees since this request is in the interest of the public. However, I will agree to pay any reasonable copying and postage fees of not more than \$20.

If the cost would be greater than this amount, please notify me and provide an itemized receipt indicating the charges for each document.

As provided by the open records law, I expect your response within three (3) business

days. See Kan. Stat. Ann. Sec. 45~~2~~18(d).

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely.

Also, please provide all segregable portions of otherwise exempt material.

Thank you for your assistance.
