Dear Mr. Moses,

This is a request under Chapter 45 of the Kansas Open Records Act. Please provide copies the following information:

- **Total projected revenue for the 2017-2018 academic year from rent payments and number of people who had originally signed agreements for The Flats at WSU before Friday's announcement. Please provide a breakdown of how many of those people are students and, if so, by academic year; as well as a breakdown of what room types they agreed to.**
 - **Total projected revenue for the 2017-2018 academic year from rent payments originally scheduled for Fairmount Towers. Please provide the number of students who were originally scheduled to move into the Fairmount Towers in August, broken down separately by academic year and type of room they were assigned to.**
- **A breakdown of units in The Flats at WSU and Fairmount Towers by type of bedroom.**

Please provide advanced notice of any charges that will exceed \$50. This request is for non-commercial news-gathering purposes in the public interest, so please waive any fees possible.

If Wichita State University feels any portion of this request is not subject to disclosure, please cite the specific section in the Kansas Open Records Act that the university believes exempts the record with an explanation of how this exemption applies. In the event the university contends that part of the request is confidential, please still provide those portions of the request that the university is not challenging.

Please send the information electronically, or its native form. Please send the forms as they become available, rather than waiting to send all the forms at once. Thank you in advance for your help.

Sincerely,
Daniel Salazar
