Dear Mr. Moses,

This is a request under Chapter 45 of the Kansas Open Records Act. Please provide **copies of responses to requests for quotes, quotations, qualifications, proposals or information for the Partnership 1 building on the Innovation Campus.**

Please provide advanced notice of any charges that will exceed \$50. This request is for non-commercial news-gathering purposes in the public interest, so please waive any fees possible.

If Wichita State University feels any portion of this request is not subject to disclosure, please cite the specific section in the Kansas Open Records Act that the university believes exempts the record with an explanation of how this exemption applies. In the event the

university contends that part of the request is confidential, please still provide those portions of the request that the university is not challenging.

Please send the information electronically, or its native form. Please send the forms as they become available, rather than waiting to send all the forms at once. Please reply to this e-mail to confirm receipt of this request.

Thank you in advance for your help.
